Alderman Williams called the Wastewater Committee Meeting to order.

Williams stated that first is a Resolution Authorizing the office of the Treasurer to compromise and waive a claim of the city, regarding delinquent sewer bills for 2729 Marshall Ave.

Williams turned over Valle to discuss the waiver of liens on 2729 Marshall Ave.

Valle stated that Mr. Winters purchased the property in 2009. In 2010 he came into Mr. Willaredt's office and he filled out a lien wavier. It is an Ordinance on the books that allows the person to rehab the property even though there is a lien on the property, until the rehab job is completed. Then at that time we will write off the sewer bill. Fortunately this guy took longer than what the Ordinance requires and he has just now completed the work. Before you tonight we have the Resolution to release the liens. Mr. Winters has kept his sewer bill current this whole time. What he would like waived is \$321.81 on old sewer bill.

Discussion by the council about the lien waived at 2729 Marshall Ave.

Motion by Simpson, second by Petrillo to accept the Resolution Authorizing the office of the Treasurer to compromise and waive a claim of the city, regarding delinquent sewer bills for 2729 Marshall Ave. All Voted Yes. Motion Carried.

Williams stated that we have an Ordinance to Declare Surplus and to Transfer Six Surplus Motor Vehicles from the Wastewater Treatment Plant. There is a list of vehicles and turned over to Jeff Hamilton.

Hamilton stated that these vehicles are all just sitting out at the plant and we would like to turn them into salvage.

Motion by Williams, second by Jackstadt to approve an Ordinance to Declare Surplus and to Transfer Six Surplus Motor Vehicles from the Wastewater Treatment Plant. All Voted Yes. Motion Carried.

Motion by Williams, second by Jackstadt to adjourn the Wastewater Committee Meeting. All Voted Yes. Motion Carried.

Meeting Adjourned.
